

Honos Civicus at Tufts University

Launched by Tisch College in 2009, the *Honos Civicus* Society selects and acknowledges graduating students who engaged in meaningful service and leadership activities during their time at Tufts. Available to undergraduates and graduates at all Tufts schools, *Honos Civicus* provides an opportunity to celebrate and reflect on a Tufts education's foundational commitment to social impact and to join a network of engaged alumni who share and acted on that commitment.

TUSDM's Class of 2018 Honos Civicus Inductees

Honos Civicus at TUSDM

Honos Civicus at TUSDM celebrates and publicly recognizes graduating students who have demonstrated an exceptional commitment to community service and civic engagement during their studies at the Tufts University School of Dental Medicine.

Eligibility

Dental students who wish to apply to Honos Civicus must have:

- **Demonstrated commitment to public service and civic engagement** *well beyond* the minimum expected for degree requirements
- **Demonstrated leadership and dedication within community service projects**
- An outstanding record of professionalism and ethical behavior
- Good academic and professional standing

Benefits

Honos Civicus inductees will receive:

- Recognition at a ceremony for students accepted into the Honos Civicus Society
- Recognition at graduation and an Honos Civicus pin for the commencement gown

- Features on the Tisch College website and other Tufts University publications
- Membership in the Honos Civicus alumni group
