Position Description
Reflection Group Facilitator, Tisch Summer Fellows

Reflection is an integral part of high-quality experiential learning programs, such as Tisch Summer Fellows. Through regularly scheduled reflection sessions, fellows are compelled to think critically about their observations, feelings, and day-to-day experiences throughout the work with a partner organization. This focuses participants’ awareness to the development or enhancement of their own civic identity, civic agency, and civic leadership through a shift in values, knowledge, and behaviors.

Members of the 2022 cohort of TSF will be hired to serve as facilitators for the small-group reflection sessions. This will increase peer-to-peer conversations with the intent of enhancing a sense of community among participants.

The reflection group facilitator will:
- Fulfill the requirements of the Tisch Summer Fellows program as a member of the 2022 cohort, including participation in reflection sessions specifically for student facilitators
- Attend two 2-hour facilitator training sessions
- Facilitate three 90-minute, small-group reflection sessions of 8-10 participants
- Maintain open communication with TSF Program Administrator and graduate assistants
- Inform TSF Program Administrator of any concerns or challenges addressed by participants during sessions

Qualifications:
- This position is open to confirmed participants in the 2022 cohort of Tisch Summer Fellows
- Excellent communication and listening skills
- Prior facilitation experience is highly desired
- Ideal candidates will demonstrate understanding of diversity, equity, inclusion, and justice as they pertain to civic engagement and global citizenship
- Preference will be given to upper-class students

To apply:
Applicants are invited to indicate interest in this role by completing the relevant portion of the TSF program application. Once the 2022 cohort is confirmed, participants who expressed interest in serving as a reflection group facilitator will be contacted to discuss next steps.

Reports to: TSF Program Administrator
Openings: 10-12
Pay: $300.00; This amount will be added to the existing TSF payment and disbursed at the end of the program.
